

Call for Participation

We invite you to join us in **9th International Conference of Information Technology, Control and Automation (ITCA 2021)**

This conference will provide an excellent international forum which contributes new results in all areas of Information Technology (IT), Control Systems and Automation Engineering. The conference focuses on all technical and practical aspects of IT, Control Systems and Automation with applications in real-world engineering and scientific problems. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on information technology, control engineering, automation, modeling concepts and establishing new collaborations in these areas.

Highlights of ITCA 2021 include:

- 9th International Conference of Advanced Computer Science & Information Technology (ACSIT 2021)
- 9th International Conference on Foundations of Computer Science & Technology (FCST 2021)
- 9th International Conference on Information Technology in Education (ICITE 2021)
- 9th International Conference on Signal Image Processing and Multimedia (SIPM 2021)
- 9th International Conference on Software Engineering & Trends (SE 2021)
- 13th International Conference on Computer Networks & Communications (CoNeCo 2021)
- 9th International Conference of Managing Information Technology (CMIT 2021)
- 2nd International Conference on Soft Computing, Artificial Intelligence and Machine Learning (SAIM 2021)
- 2nd International Conference on Semantic & Natural Language Processing (SNLP 2021)
