

Call for Participation

We invite you to join us in **2nd International Conference on Soft Computing, Artificial Intelligence and Machine Learning (SAIM 2021)**

This conference looks for significant contributions to the Soft Computing, Artificial Intelligence and Machine Learning in theoretical and practical aspects. Original papers are invited on AI Algorithms, Artificial Intelligence, Automatic Control, Bioinformatics, Machine Learning, Machine Learning Applications, Machine Learning Methods and analysis, Soft Computing, Soft Computing Theory and Applications. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on Soft Computing, Artificial Intelligence and Machine Learning concepts and establishing new collaborations in these areas.

Highlights of SAIM 2021 include:

- 9th International Conference of Information Technology, Control and Automation (ITCA 2021)
- 9th International Conference on Foundations of Computer Science & Technology (FCST 2021)
- 9th International Conference on Information Technology in Education (ICITE 2021)
- 9th International Conference on Signal Image Processing and Multimedia (SIPM 2021)
- 9th International Conference on Software Engineering & Trends (SE 2021)
- 13th International Conference on Computer Networks & Communications (CoNeCo 2021)
- 9th International Conference of Managing Information Technology (CMIT 2021)
- 9th International Conference of Advanced Computer Science & Information Technology (ACSIT 2021)
- 2nd International Conference on Semantic & Natural Language Processing (SNLP 2021)
